

GRILL BURNING DISPLAY CREDIT FORM

“Food Taste” is what separates Solaire from all other grills. A live-burn showroom grill used for operational demonstrations will close many more sales than a cold, static display. Customers who can see, taste and experience the benefits of a Solaire Infrared Grill will more easily part with their hard-earned dollars. Rasmussen wishes to encourage dealers to commit a Solaire grill as a live-burn showroom demonstrator model by participating in the cost of the grill.

Special Burning Display Credit: Per Solaire Dealer Display Program in effect at time of claim submission.

Number of Burning Displays: Limit one per dealer location.

Length of Display: Two (2) Years. Rasmussen encourages replacing burning displays every two years.

Dealer Name _____

Address _____

Phone Number _____ **Contact** _____

Model Displayed _____ Serial Number _____ Installation Date _____	<p>Please attach a photograph of the burning display here.</p>
